**Administrative Order:**

By letter e-filed August 30, 2018, plaintiffs' counsel timely requests that this action be assigned to the Commercial Division pursuant to Commercial Division Rule 202.70 (e). No response to the request has been received.

Plaintiff commenced this action on August 29, 2018 seeking summary judgment in lieu of complaint (CPLR 3213) against the borrower and guarantors for amounts due under a note. Plaintiff seeks to recover unpaid principal in the sum of \$875,000 together with interest thereon. Plaintiff's counsel states that his office inadvertently omitted filing the Commercial Division addendum at the time they filed the RJI. The action was then assigned to a non-Commercial Division Justice (Hon. Andrew S. Borrok).

The request is granted since the allegations of the complaint meet the monetary threshold and fall within the subject matter of cases heard in the Commercial Division (see Commercial Division Rule 202.70 [a], [b] [1]). The General Clerk's Office is directed to transfer this action to a Justice of the Commercial Division.
